**Location of Site or Find Spot**

2. Marks 'Grim's Ditch' between NGR's.

**Finder & Date**

**Present Location**

**Descriptions of Site or Object**

1. Grim's Ditch - 2 sections (see also CAS 0140:2) each about 500yds long, running SSE through Park Wood. The bank is about 4ft above the ditch which is 30ftwide.
2. (see above & over).
3. 680yd.length of Grim's Ditch in beech wood. N.end tapers off downhill before a track & is about 2ft high. For most of its length it is about 4ft high & in places over 6ft. Width, including ditch to E.about 14yds. In good condition except for some old quarry pits in a few places. S.260yds are on MOD land & crossed by numerous paths & scheduled length ends a road. Ditch traceable for further 60yds to S. under a hedge but is not worth scheduling. **Scheduled Ancient Monument no. 35851.**
4. Further 10m long stretch, SU 8349 9772.
