Descriptions of Site or Object
1. Grim's Ditch - visible running in a SW direction from Redland end along the edge of Hillock Wood & Monkton Wood to Lilybottom Farm. At the best preserved part of this section the bank is about 4ft. above the ditch & the ditch is about 30ft. wide.
2. x (see above & over).
3. Dyke is in an excellent state of preservation throughout this section. Goes through woodland never ploughed; ditch rather silted up through natural causes. Scheduled Ancient Monument no. 35 (Bucks.).
