Location of Site or Find Spot
1. Marks 'Grim's Ditch' between NGR's.

Finder & Date

Present Location

Descriptions of Site or Object
1. (see above & over).
2. Section cut through Grim's Ditch at approx. SP 9236 0906 on 20-23 April 1973 by Mr. Nick Davis of Aldbury & associates. Field visit: site on brick earth. Excavation showed a possible light palisade slot on S. edge of ditch. Sherd of probable IA pottery found. [See report filed*].
3. Recent excavation of Grim's Ditch was too limited to date the earthwork properly. More work is needed to define relationship between Boddington, Grim's Ditch &c.
4. Further discussion on this section of ditch. Section of ditch at Hastoe drawn (original filed*).
